📍 DC Road, Chawkbazar, CHITTAGONG

EXPERIENCE

• Project Work (CSE)

Developed academic projects (e.g., Airline Reservation System in C++ using Qt Creator).

Applied problem-solving and programming skills to design functional solutions.

• Leadership & Management

Organized and managed group projects, demonstrating leadership and teamwork.

Coordinated tasks efficiently to ensure timely and successful completion.

• Creative & Technical Work

Experienced in video editing, photography, and design with attention to detail and creativity.

Delivered high-quality outputs in academic, personal, and collaborative projects.

• Event/Team Participation (in IIUC)

Participated in seminars, workshops, or competitions

1. Story writing competitions
2. EDUMAX International Education seminar 2024
3. Emerging Digital Skills (Digital Marketing | Cybersecurity | Networking)

• GIRL'S GUIDE

Worked as a volunteer from 2017-2020
